NATURALLY UNIQUE.

Almendras de La Mancha is a company with a history dating back 70 years that purchases almonds directly from growers, shelling, blanching and processing the product to offer customers the best service, top quality and the best price.

We are a company at the complete service of our customers, using the latest technology with all the quality guarantees up to the final place of consumption.

Tradition, Technology and Quality at your service.

AUTHENTIC PASSION.

Almendras de La Mancha is a reliable customer oriented company with long-standing experience: **we process over 50,000 tons of almonds in shell a year** and we have over 48,000 m2 of state-of-the-art technology systems, with the aim of trading natural, blanched and processed almonds, of certified quality and origin.

We can offer **Conventional** or **Organic** almonds.
